

# The Croome & West Warwickshire Foxhounds

## 2010 - 2011 Season

Thank you on behalf of everyone involved in organising the Croome and West Warwickshire for your valued support last season. Our team of Masters worked hard on our behalf to provide entertainment and sport whilst never forgetting the needs of our friends, the farmers and landowners who continue to support us. Subscriptions came in promptly and willingly which helps cash flow enormously. Please bear in mind that the income from riding members and car followers barely covers half the cost of running the hunt.

We warmly welcome Mr Tim Allen MFH, who will also be hunting hounds.

This season subscriptions remain largely unchanged, although a Family Subscription and Visiting Day Cap for farmers who farm within C&WW country has been introduced. Car Followers wishing to do so may compound the Main Season cap for £40.

Mr Ian Moutrie has kindly agreed to continue to collect car follower's caps. PLEASE help him to enjoy his day out hunting too, by finding him to pay and not leaving him to have to seek you out.

Although a repeal of the hunting ban is looking more hopeful, we are not quite there yet, and may still be called upon to lend our support. In the meantime, we will continue to hunt legally using exemptions within the Hunting Act.

We very much look forward to welcoming you all for what promises to be an exciting season with renewed hope for repeal. Let's keep everything crossed!!

*The Croome & West Warwickshire Foxhounds*
